The merchant that charges exorbitant prices for his groceries vegetables, fruits and meats is not safe to deal with for he is trying to "get rich quick" at your expense.

The merchant that tries to make you believe that he is selling at cost or below cost is not safe to deal with for he is trying to deceive you and he has a "joker" hidden somewhere.

The merchant that claims only a small legitimate profit to pay expenses and make a living is the only safe merchant for he is building to serve you permanently.

We do not charge exorbitant prices.

We do not resort to deception or exagge tion.

We want to serve you permanently.

We sell for less and "The Goods Must Be Good Goods or the Sale is no good.
